Chartered Surveyors

The Frost Partnership is recognised for its professional approach, experienced and motivated staff and local knowledge, teamed with the highest standards of customer service.

Our Chartered Surveyors hold the highest awarded qualifications through The Royal Institution of Chartered Surveyors (RICS). An independent survey tailored to your specific needs will give unbiased advice, putting your needs first, which could result in saving your substantial repair costs.

Director: John Frost, BSc (Hons), MRICS

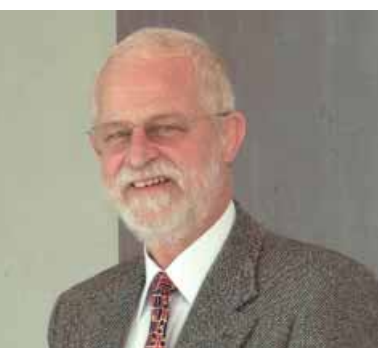

John is the fourth generation of the Frost family to carry on the tradition of being a Chartered Surveyor. He is involved with advising local land owners in regard to commercial interests in land and property. He also provides a general practice surveying role for the Company.

Building Surveyor: David Caruth, FRICS

David is a Building Surveyor with an invaluable amount of experience in the field of Surveying and providing reports on the condition of buildings.

Our services include:

- Access Rights
- Building Assessment Cost Reports
